

Institutional Distinctiveness

The primary objective of the institution is the pursuit of academic excellence and placements. The institution also aims at vitalizing the learning skills with a focus on futuristic demands, vitalizing teaching learning process, ICT, human values and functional relationship with all the stakeholders for the holistic development of the individual and society. It also strives to create virtuous, meritorious personalities and to prepare professional, creative students to serve the humanity by setting a commendable tradition of initiative and imagination. The institution stands apart from all other colleges by placing greater emphasis on producing professional students by providing value-based education and enabling the students to face challenges in modern life.

The institution aims at instilling a sense of self-discipline and accountability among students and developing a respect for democratic, ethical and moral values. The college provides the best amenities required for the students to enhance their technical skills, academics and extra-curricular activities to bring out the best in them. The institution grabbed the top rank in the State with 93.47 overall pass percentage in Anna University Semester Examinations held in Nov/Dec 2016. This institution consistently maintains its position within the top ten ranks in Anna University results among the 550 colleges in the state.

Training and placement cell is an integral part of our institution which ensures that the students are well trained and prepared to face their campus interviews effectively. Training is imparted to the students from their second year in employability skills. The academic and placement processes are complemented with a diverse array of opportunities provided to the students in enhancing their knowledge beyond academics.

Various guest lectures, technical seminars, symposia are organized throughout the year, by which the students are exposed to the outside world ethics and all the recent developments and innovations. Students are encouraged to develop their own projects funded by the State of Tamilnadu to help them explore their creative ideas.

The institution has provided the best possible facilities in terms of infrastructure for teaching, learning and sports activities to make a student, complete in all dimensions. The classrooms, laboratories, smart classrooms, group discussion halls, library, solved question bank for all the subjects and administrative office is highly conducive to the overall academic environment. The institution hosts fully equipped grounds for athletics, tennis, basketball, indoor badminton courts and volleyball courts. As a result, students have performed well in State and National level sports events and secured many medals and have brought laurels to the institution.

VSBECE serves as a unique tenet that directs the institution to an appreciable, all-round performance by assuring global standards through value-adding education and interdisciplinary research paving the way to sustainable development.
